

NOTICE

It has been brought to my attention that there is a rumor floating around that if you sign up and pay your entry fee for a specific age group in the Girl's District Qualifying Tournament and that particular age group does not have enough teams to have a tournament, that you will not receive a refund of your entry fee. **THIS IS ONLY A RUMOR.** There is absolutely no truth to this rumor. If your particular age group does not have enough teams, you will be given the choice of playing up an age group or receiving a refund of your entry fee.

Also want to remind coaches that it is mandatory that you take the free coaching course being offered by AAU in order to be allowed to coach. You will find this information at www.aausports.org. There is a link "PCA Coaches Test" on the home page. This course is being required for all non-athlete members, which means that all non-athlete members who sit on your bench will be required to take this course.

If you have not sent your Intent Form, please do so ASAP. Please put on the form if you would want to play Division I or Division II. If we can get enough teams, we will have both divisions. If number of teams does not justify both divisions, tournament will be Division I.
